

Short Studio Profile:

Award-winning Atomic Cartoons, a Thunderbird Entertainment company, is a full-service animation studio located in Vancouver's busy Animation District. Atomic Cartoons creates, produces and finances animation for distribution across multiple platforms. Atomic Cartoons is an artist's studio with some of Canada's most creative animators, directors, producers and writers. Adept at multiple genres and animation styles, Atomic Cartoons is recognized internationally as one of the leading animation studios in North America.

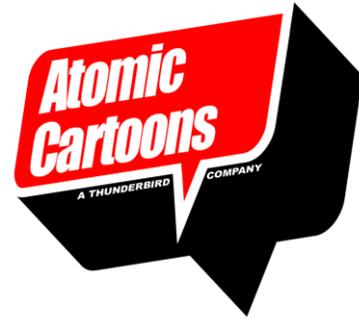

Since its founding more than 18 years ago, Atomic has worked for clients such as Marvel, NETFLIX, Cartoon Network, Nelvana, and Disney. Notable, too, is Atomic's success with its homegrown shows; award winning international hit *Atomic Betty*, preschool production *Nico Can Dance* and NETFLIX original series *Beat Bugs*. Other work includes *Little Charmers*, Marvel's *Avengers Assemble*, *Rocket Monkeys*, *Counterfeit Cat*, *Max and Ruby* and *Transformers Rescue Bots*.

Long Studio Profile:

Award-winning Atomic Cartoons, a Thunderbird Entertainment company, is a full-service animation studio located in Vancouver's busy Animation District. Thunderbird Entertainment is an international producer and distributor of television and film content. The Thunderbird Group of companies also includes Great Pacific TV and Reunion Pictures in Vancouver as well as London-based Soda Pictures.

Atomic Cartoons is an artist's studio with some of Canada's most creative animators, directors, producers and writers. Atomic creates, produces and finances animation for distribution across multiple platforms. Atomic Cartoons' production techniques include animating traditionally, using Flash and Harmony for 2D projects, Maya for CG 3D projects, as well as hybrid productions. Adept in multiple genres and animation styles, Atomic Cartoons is regarded as one of the leading animation studios in North America, earning multiple Gemini, Leo, and BAFTA nominations and awards and most recently received five 2017 Daytime Emmy Award nominations for *Beat Bugs*, taking home a win in the Best Writing for an Animated Program or Series category.

Since its founding more than 18 years ago, Atomic has worked for clients such as Marvel, NETFLIX, Cartoon Network, Nelvana and Disney. Notable, too, is Atomic's success with its homegrown shows; award winning international hit *Atomic Betty*, preschool production *Nico Can Dance* and NETFLIX original series *Beat Bugs*. Other work includes *Little Charmers*, Marvel's *Avengers Assemble*, *Rocket Monkeys*, *Counterfeit Cat*, *Max and Ruby* and *Transformers Rescue Bots*.

Whether you are looking for a rock-solid production partner, financing muscle for your animation project or an innovative creative team Atomic Cartoons has the right balance of experience and flexibility to take projects from concept to screen.
